

MONTANA KIDS CARE:

Collecting Pennies (and More) for the Victims of Hurricane Katrina

This is a voluntary statewide effort to encourage Montana public school students to get involved in helping the hurricane victims and their families.

This collection effort will run through October 14, 2005.

Schools and school systems collect pennies (or more) over the course of the month.

To save time and paperwork, schools should donate their collections directly to any charity of their choice.

Contribution information websites for relief activities include:

American Red Cross: www.redcross.org

America's Second Harvest: www.secondharvest.org

Salvation Army: www.salvationarmyusa.org

Schools should complete the Participation Form and fax or email to:

Fax: 406-444-9229

Email: tteichrow@mt.gov

Participating schools will receive recognition by the State and we will announce the total funds raised by Montana public schools at the end of the fundraising drive.

Questions about this initiative should be addressed to:

Terry Teichrow
